ABOUT US

Established in 2007, Delma Bridge Transport and Logistics, is one of the leading international freight forwarding, project logistics and relocation management company delivering cost-effective solutions throughout the Middle East. Our team is headed by Mr. Abdul Salam Mohammed Fajy as Managing Director with 25 years of experience in Abu Dhabi Port Cargo Operations and many years of experience in logistic Operation and transportation field. We are equipped with highly trained, efficient, qualified and dedicated professionals.

By adapting the latest technologies and trends, we strive to provide the best service available to you. We are Up-to-date with all the latest world-wide logistical developments. Delma Bridge Logistics and Transportation is about intensifying efficiency, developing an innovation approach and a focus on continuous improvement.

WHY DELMA BRIDGE

We Connect people, businesses & communities to a better future - through logistics. DELMA BRIDGE Logistics provides a "one-stop-solution" to meet all of your logistics requirements. Successful freight forwarding, project logistics and relocation management services in challenging markets like the Middle East require expertise, inside knowledge, and a reputation that businesses can trust. This is why DELMA BRIDGE Logistics is the preferred choice of many Fortune 500 companies in the region. Our clients demand a higher level of service than what traditional company provides in order to meet their own internal standards.

OUR MISSION & VISION

To be committed, Connected, Creative, Fast, Secure and Reliable in the field of logistics.

We strive to develop and maintain a first-class logistics service to ensure customer satisfaction, which drives customer loyalty leading to sustained profit growth and creating improved company value.
